Attention:

- Mark the note, for example, with a cross, in an area which is lightly-colored and not printed on.
- If the marking shows up as bright yellow, your banknote is genuine and therefore valid!
- If the marking goes dark and stays dark, your banknote is forged!
- The disappears again after a few hours.
- This pen is with UV function.
- Identify forged notes in seconds!
Valid for most current international bank notes!
Successfully tested on Euro notes!
